

To Whom it may concern

We hereby declare, under our sole responsibility, that the water-based coating products manufactured and supplied by **DAAS & Chemicals S.p.A.** have been tested for the migration of certain elements in accordance with **EN 71-3:2019 + A2:2024 – Safety of Toys – Part 3: Migration of Certain Elements**.

Based on the results of the laboratory testing, the products comply with the migration limits specified in the above-mentioned standard for all tested elements.

The testing covers the migration of, among others:

- Aluminium (Al)
- Antimony (Sb)
- Arsenic (As)
- Barium (Ba)
- Boron (B)
- Cadmium (Cd)
- Chromium (III)
- Chromium (VI)
- Cobalt (Co)
- Copper (Cu)
- Lead (Pb)
- Manganese (Mn)
- Mercury (Hg)
- Nickel (Ni)
- Selenium (Se)
- Strontium (Sr)
- Tin (Sn)
- Organic Tin
- Zinc (Zn)

This declaration is based on laboratory test results performed on representative samples of our products and on our current manufacturing process. It confirms compliance with the migration limits established by EN 71-3:2019 + A2:2024 at the time of testing. This declaration is issued upon customer request and does not constitute a product specification or guarantee beyond the scope of the referenced test results.

For further technical information or a copy of the applicable test report, please contact our Technical Department.
