

TO WHOM IT MAY CONCERN

DAAS & Chemicals S.p.A. hereby declares that, to the best of its knowledge and based on information, documentation, and declarations provided by upstream suppliers and manufacturers, the materials manufactured and/or supplied by the Company comply with applicable international regulations concerning restricted substances, including requirements related to Perfluorooctanoic Acid (PFOA), Perfluorooctane Sulfonates (PFOS), and Bisphenol A (BPA).

Based on the currently available technical information, the materials supplied by DAAS & Chemicals S.p.A. do not intentionally contain:

- Perfluorooctanoic Acid (PFOA) and related substances;
- Perfluorooctane Sulfonates (PFOS) and related substances;
- Bisphenol A (BPA);

above the applicable regulatory thresholds, unless otherwise specifically communicated.

Compliance assessment is based on supplier declarations, Safety Data Sheets (SDS), technical documentation, and other information available at the date of issue.

DAAS & Chemicals S.p.A. continuously monitors applicable international and regional regulatory requirements concerning hazardous and restricted substances, including relevant provisions under REACH Regulation (EC) No 1907/2006 and related legislation where applicable.

This declaration applies exclusively to products and materials supplied by DAAS & Chemicals S.p.A. under normal and intended conditions of use. For more detailed information, don't hesitate to contact our customer support at chemicals@daassrl.com
