

TO WHOM IT MAY CONCERN

DAAS & Chemicals S.p.A. hereby declares that, to the best of its knowledge and based on information, documentation, and declarations provided by upstream suppliers and manufacturers, the materials manufactured and/or supplied by the Company comply with applicable international and regional regulations concerning Persistent Organic Pollutants (POPs).

Based on information available from raw material suppliers and current formulation data, DAAS & Chemicals S.p.A. does not intentionally add substances classified as Persistent Organic Pollutants (POPs) under applicable international and regional regulations, including Regulation (EU) 2019/1021, as amended.

Compliance assessment is based on supplier declarations, Safety Data Sheets (SDS), technical documentation, and other information available at the date of issue. DAAS & Chemicals S.p.A. continuously monitors applicable international and regional regulatory requirements concerning hazardous and restricted substances.

This declaration applies exclusively to products supplied by DAAS & Chemicals S.p.A. under normal and intended conditions of use.
