

TO WHOM IT MAY CONCERN

DAAS & Chemicals S.p.A. hereby declares, under its sole responsibility, that the materials manufactured and/or supplied by the Company comply, where applicable, with the requirements concerning Volatile Organic Compounds (VOC) under Directive 2004/42/EC, as amended, relating to the limitation of emissions of volatile organic compounds due to the use of organic solvents in certain paints, varnishes, and vehicle refinishing products.

Compliance assessment is based on formulation data, technical evaluations, raw material information, Safety Data Sheets (SDS), and supplier documentation available at the date of issue.

DAAS & Chemicals S.p.A. continuously monitors applicable international and regional regulatory requirements concerning VOC emissions and environmental compliance.

This declaration applies exclusively to materials supplied by DAAS & Chemicals S.p.A. under normal and intended conditions of use.

Should further technical information or updated Safety Data Sheets (SDS) be required, please contact DAAS & Chemicals S.p.A.
